EasyAccess

Presentation

# Who is EasyAccess

An innovative **Scandinavian** company established in 2009.

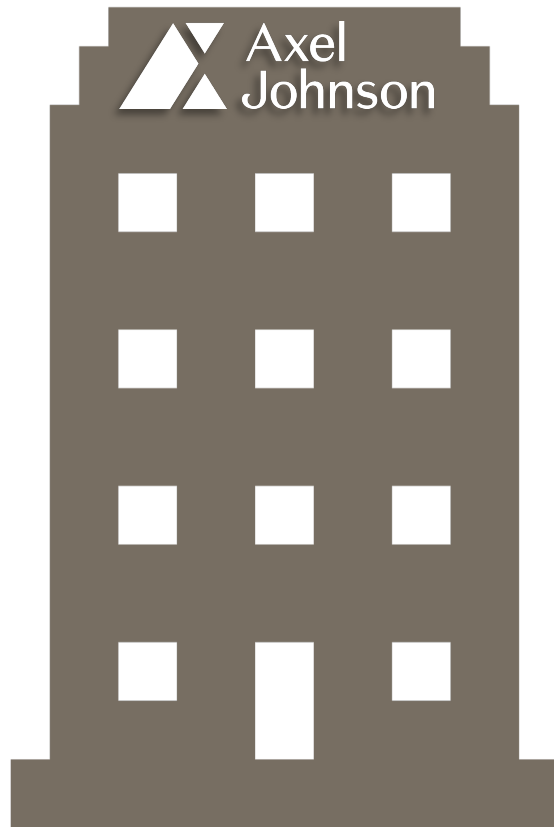

Offers a number of **smart door locks** and we are expanding our portfolio with several new and modern **solutions**.

Well-established in **Norway** and **Denmark**, and now **Sweden**.

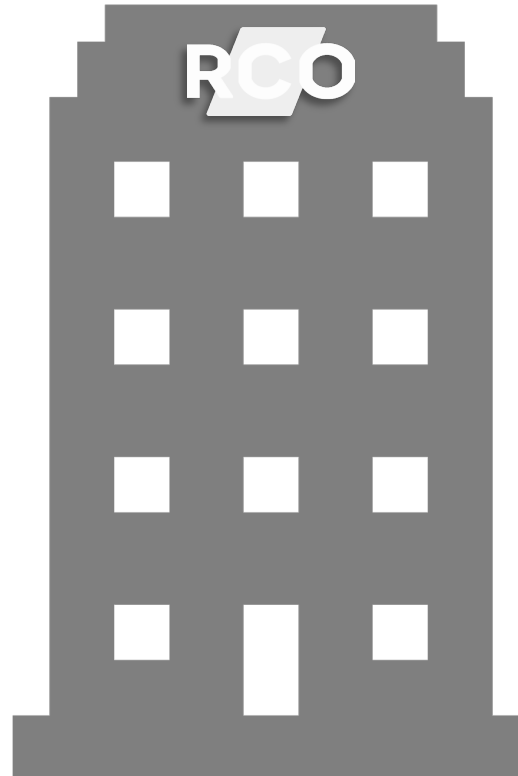

Great **ambitions** that extend beyond **Scandinavia**

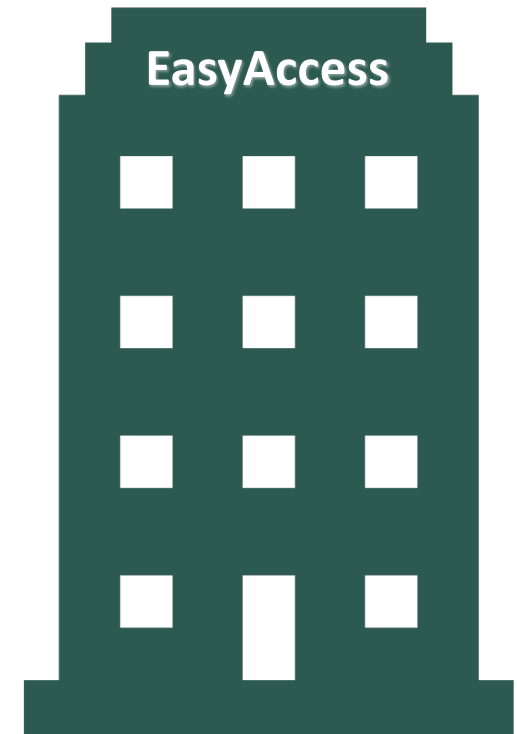

# EasyAccess – a part of something greater

The Axel Johnson Group is a Swedish fourth-generation family-owned conglomerate

Our proud owner, offering solutions for electronic keyless entry control to businesses

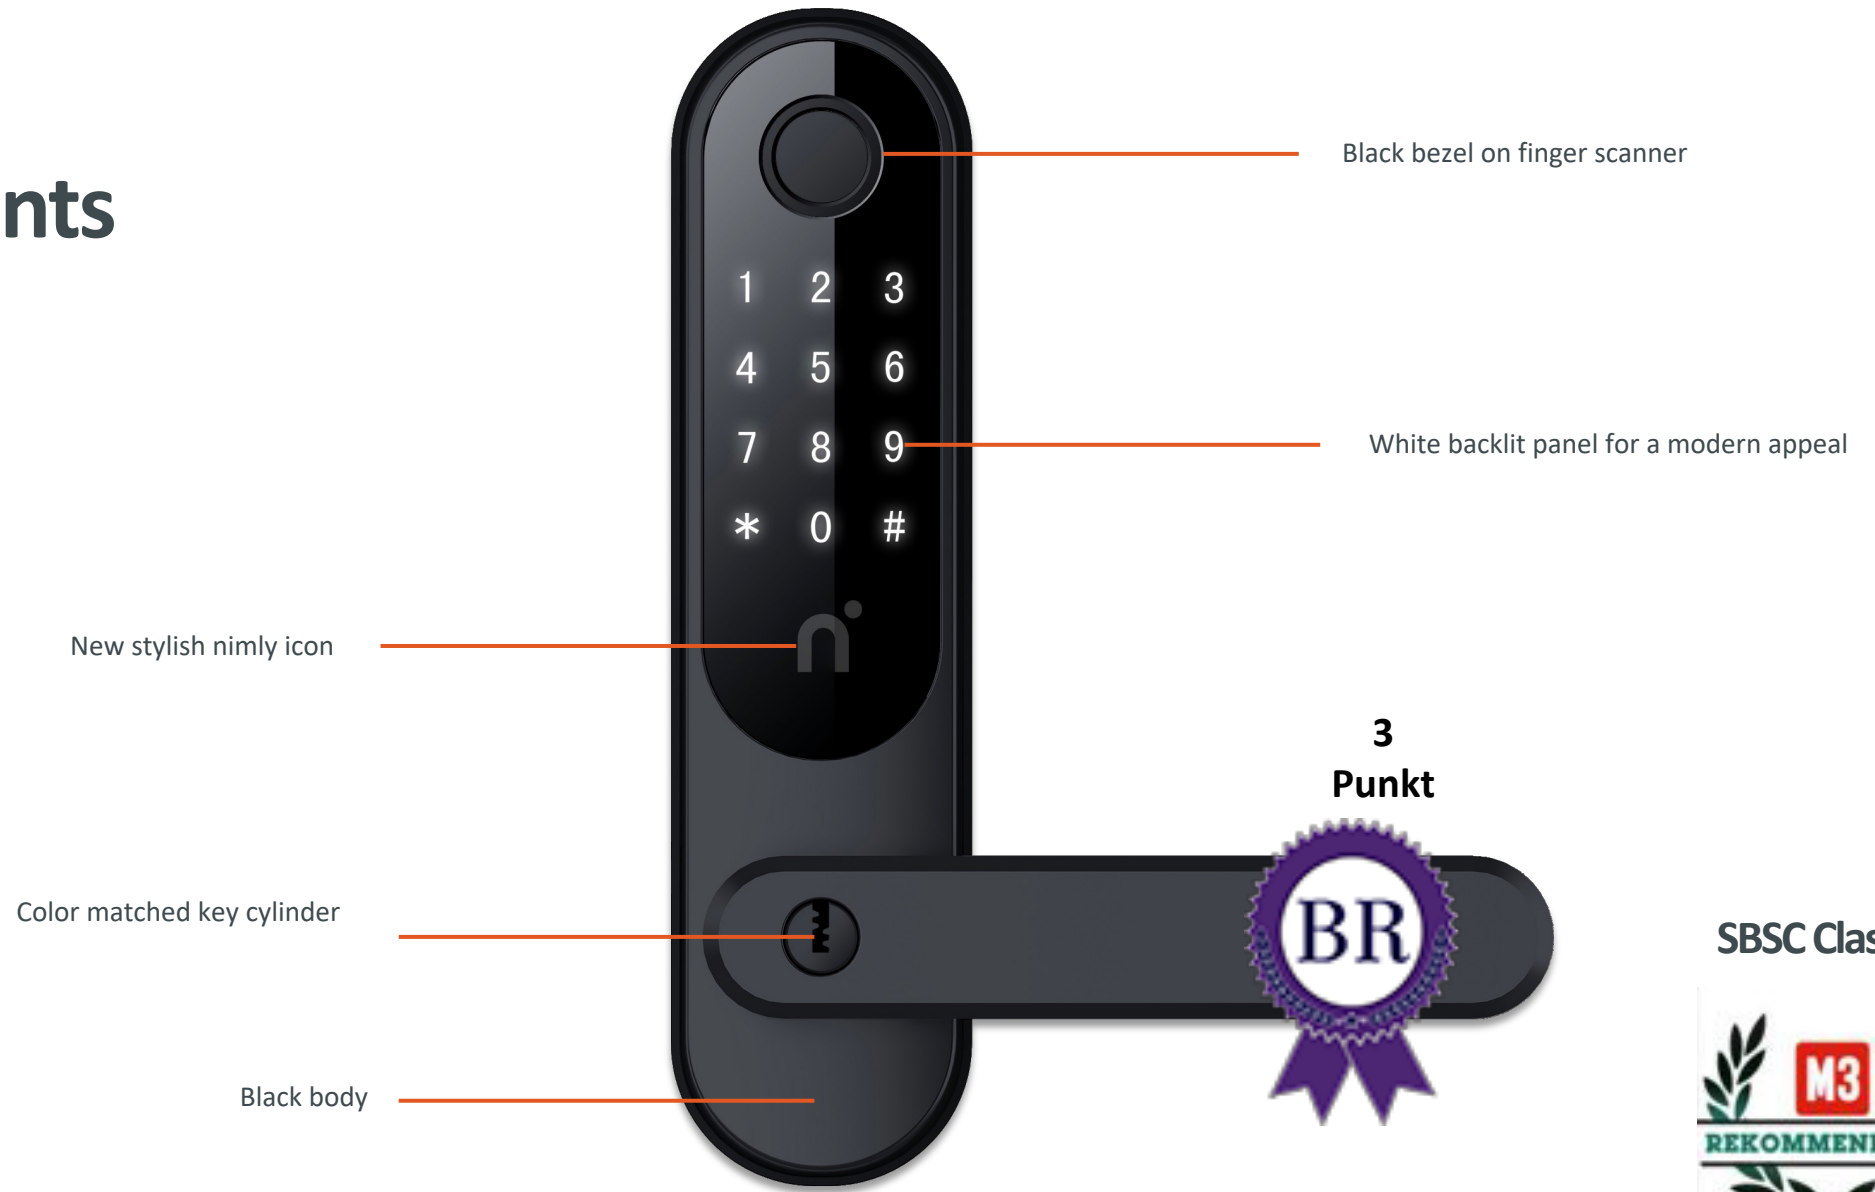

We are the company's extension in the consumer market for smart entry
