Formica® Laminate

THE ORIGINAL HIGH PRESSURE LAMINATE *by* FORMICA GROUP

Formica® High Pressure Laminate (HPL) for demanding horizontal and vertical applications in areas subject to high wear and impact and in environments with high humidity.

A photograph of a modern office hallway. The walls are dark, and the floor is highly reflective, showing the ceiling and the door. A white door is set into the dark wall, with a silver handle and a small light fixture above it. The hallway extends into the distance, with a white wall and a red fire alarm pull station visible on the left side.
